CFWV Milestones by Grade Level

Milestones can be defined as specific tools found on CFWV that should be completed during a specific year in a students' schooling. Currently, the milestones for students are broken down into 7th/8th grades, 10th grade, 11th grade, 12th grade, postsecondary, and workforce. Each set of milestones provides students with an additional guidance toward meeting their postsecondary and career related goals. A checklist of each grade specific milestones."
