

A banner with a blue background on the left and a green circular graphic on the right. The graphic features a central smartphone icon with a heart and a pulse line, surrounded by various healthcare and technology icons like a stethoscope, pill, watch, and laptop. The text "Telehealth Learning Series" is written in a white script font, and "for SUD Tx and Recovery Support Providers" is in a white sans-serif font below it.

# *Telehealth Learning Series*

for SUD Tx and Recovery Support Providers

## **Telehealth Learning and Discussion Series for SUD Treatment and Recovery Support Providers**

The [Addiction Technology Transfer Center \(ATTC\) Network](#), the [Center for Excellence on Protected Health Information \(CoE-PHI\)](#), the [National Consortium of Telehealth Resource Centers](#), and the [Center for the Application of Substance Abuse Technologies \(CASAT\)](#) at the University of Nevada - Reno (UNR) are facilitating a FREE, national online discussion and resource sharing opportunity for substance use disorder (SUD) treatment providers and peer support specialists faced with transitioning their services to the use of telephone and videoconferencing methods in response to COVID-19 social distancing guidelines.

### **The series will feature:**

- Live, one-hour sessions every week for at least 5 weeks via Zoom video conferencing (we may add more weeks based on demand!). Each session will include at least 45 minutes of peer-to-peer conversation and information exchange and “Top Five” tips and lessons learned
- Access to experienced providers and others with expertise in providing services using videoconferencing (telehealth) and telephone for SUD treatment and recovery support
- Access to professionals with expertise in protected health information and 42CFR Part 2
- Training tools, checklists, and other relevant resources

### **Who Should Attend?**

SUD treatment providers, including peer specialists, counselors, administrators, peer support officers, and others providing and/or interested in providing care to patients/peers via videoconferencing platforms (telehealth) and/or telephone.

### **Registration**

No registration required for the live sessions. Simply click on the zoom link at the appropriate date and time to join the discussion. No CEs will be provided for these sessions.

### **When?**

- Weeks of March 30 through April 27. See the table below for specific dates and times for live sessions.
- Join one, two, three ... or all of the live sessions! Combine your live session attendance with review of the online resource page (coming soon). Customize the experience to meet your needs. No prerequisites or required attendance.
